Fellowship Meal: Features
Macaroni & Cheese judged by
none other than our kiddos!

Macaroni & cheese comes in many yummy variations, but we adults cannot live on mac alone, so please plan to bring great side dishes and desserts as well. It's best to bring two dishes, a main dish and either a side salad or dessert to share with everyone. Your prepared dish needs to come in a crock pot or ready to place in a provided food warmer in the kitchen.

Congregational Meeting:

After lunch, please remain to review the Proposed 2023 CMF Budget. The budget will be in church mailboxes prior to the meeting. Please review the information ahead of time and bring your thoughts and questions to the meeting.

All are Welcome!
