"Children's Crumbs for Dogs"

Mark 7:24-30

.....

Against whom are you most likely to be prejudiced?

How can you look at a person against whom you might be biased and find ways in which they outshine you?

What are the most palpable and obvious instances of demonic activity you've seen in person?

How hard is it for you to think that a family attitude or cultural bias in your background might constitute a spiritual problem that you need to deal with personally and in so doing diverge from the way you were raised?
